Personal data that we process:

Van Hessen B.V. processes your personal data because you use our services and /or provide this data to us yourself.

Overview of the personal data that we process:

- First and last name
- Company name
- Address
- Phone number
- E-mail address
- IP-address
- Other personal data you actively provide. For example, by creating a profile on this website, or providing it in correspondence or by telephone
- Location data
- Information on your activities on our website
- Data about your surfing behavior across different websites
- Internet browser and device type
- Bank account number

Special and/or sensitive personal data that we process:

Our website and/or service does not intend to collect data about website visitors who are younger than 16 years old. Unless they have parental or guardian permission. However, we cannot check whether a visitor is older than 16. We therefore advise parents to be involved in the online activities of their

children, in order to prevent data about children being collected without parental consent. If you are convinced that we have collected personal data about a minor without permission, please contact us at evdzon@vanhessen.nl and we will remove this information.

For what purpose and on what basis we process personal data:

Van Hessen B.V. processes your personal data for the following purposes:

- Handling your payment
- Sending our newsletter and/or advertising brochure
- To call or e-mail you if this is needed to provide our services
- Inform you about changes of our services and products
- To offer you the option of creating an account
- To deliver goods and services
- Van Hessen B.V. follows and analyzes your behavior on the website in order to improve our website and tailor the range of products and services to your preference and need
- Van Hessen B.V. processes personal data if we are legally obliged to do so, such as information for tax return.

Automated decision making:

Van Hessen B.V. makes decisions based on automated processing on matters that can have (significant) consequences for people. This concerns decisions that are taken by computer programs or systems, without involving a person (for example an employee of Van Hessen B.V.). Van Hessen B.V. uses the following computer programs or systems:

- Google analytics
- Social media Pixels
- Hotjar
- Active Campaign
- Woocommerce

How long we keep personal data:

Van Hessen B.V. does not store your personal data longer than strictly necessary. We use the following retention periods for specific data:

- Information of existing customers is kept for one year after contract termination, except for the invoice and contract information.
- Information on potential customers, suppliers and partners will not be kept for longer than two years if no agreement is reached. Unless the potential customer, supplier or partner wishes otherwise.
- Invoice and contract information is stored for 7 years in accordance with legislation.

Van Hessen B.V. does not sell information to third parties and will only provide information when needed for the execution of the agreement or contract, and in compliance with legislation. We conclude a processing agreement with companies that process your data on our behalf, to ensure the same level of security and confidentiality. Van Hessen B.V. remains responsible for these processing operations.

Sharing personal data with third parties:

Van Hessen B.V. shares your personal data with various third parties if this is necessary for the execution of the agreement and to comply with legislation. We conclude a processing agreement with companies that process your data on our behalf, to ensure the same level of security and confidentiality of your data. Van Hessen B.V. remains responsible for these processing operations. In addition, Van Hessen B.V. shares your personal data with other third parties only with your explicit permission.

Cookies, or similar techniques, that we use:

Van Hessen B.V. uses functional, analytical and tracking cookies. A cookie is a small text file that is stored in the browser of your computer, tablet or smartphone when you first visit our website. Van Hessen B.V. uses cookies with a purely technical functionality. These ensure that the website works properly and that, for example, your preferred settings are remembered.
